Dear Unity Christian Family,

As we approach registration for the 2020-21 school year, we would like to remind those who are members of a church that does not have a fair-share program of the Unity Christian Partner Society.

The Partner Society exists to allow constituents of Unity Christian an opportunity to deduct contributions they make to the Society on their federal and state income taxes. The maximum allowable contribution for the 2020-21 school year is \$2,575 per student (same amount as fair share programs) plus \$10 administrative fee per family (for filing tax return and sending contribution statements).

For example, if a family is a member of the Partner Society the student's 2020-21 tuition would be \$8,700 minus \$2,575 (donation to the Partner Society). The total amount donated to the Partner Society is tax deductible.

A membership form to enroll in the Unity Christian Partner Society will be available at registration in August and is also on the school website under Quick Links/Forms and Documents/Registration Files. Please note that if you were a member in previous years, it is necessary to submit a new membership form and pledge for the 2020-21 school year.

If you have any questions, feel free to contact any of us directly.

Sincerely,

Steve Walhof, President  
Eric Bartels, Treasurer  
Karen Wagner, Secretary
