

Dear Unity Parents,

Online registration is now ready for the 2020-21 school year. Because of the current Covid-19 environment, we strongly encourage each family to take advantage of online registration and print off and mail in the tuition form along with a check. We usually ask for the registration fee, computer fee, and first month's tuition to be paid at registration. If you prefer, we will be offering one night of in-person registration on Aug. 10. from 6:00-8:00.

To get into your JMC registration, log into our website, go to quick links and click on JMC Parent. Make sure the year is 2020-2021, put in your user name and password. Click on "Register for School".

Before you begin with the "Start/Continue Registration Process", you should read through the forms in the "Sign Forms" spot.

The process is really simple. It is a series of questions that will come up, and each one will need an answer. If the answer to a question is "none", you will need to put "none" in that box.

Please be sure to fill in your student license plate (if they take a car) and their cell phone number.

When you get to emergency contact, that should be someone other than yourselves that we can contact an emergency if we cannot reach parents.

Be sure to click on the "finish" button when you are finished.

When you get to the financial part go to tuition/fees and you will be able to pay with a JMC credit card or JMC ACH. **Be aware that there is a 3.99% fee for every payment you make with both of these options.**

You can use our ACH payment method – the forms for that are on our website under "Forms and Documents". This payment needs to be the same amount each month. There is no charge for this payment method.

Many of you do on-line banking and your bank has the "bill pay" option where you can tell them to send us a check for tuition and/or lunch. You can also tell them to pay that every month on a certain date. Several of our families do that and it's very easy. Most banks do not charge for this service.

If you choose to pay with a check each month, you can download and print the financial page, complete it and bring it to Unity.

We will have a registration night on Monday, August 10 when you can bring in your financial page with payment (if you chose that method), buy season passes, visit with the booster club, etc.

Season pass forms are also available to print and complete under Forms and Documents. You can get that to us at any time for your family cards or get those at one of the first athletic events this fall.
